### Role Overview

We are seeking a dedicated and experienced **Lifting Equipment Inspector** to join our UK-based team. This full-time, on-site role involves travelling to client locations across the UK to inspect lifting equipment used primarily in the entertainment industry. The successful candidate will lead small teams of freelance inspectors, ensure accurate data collection, input information into our digital inspection portal, and produce comprehensive, professional reports for clients.

Key objectives of the role include:

- **Ensure Safety & Compliance** – Conduct inspections to meet LOLER, PUWER, and HSE standards.
- **Lead Inspection Teams** – Manage freelance inspectors to maintain quality and efficiency.
- **Deliver Accurate Reports** – Capture data precisely and produce clear, compliant reports.
- **Apply Industry Expertise** – Use entertainment industry knowledge to meet client needs and build strong relationships.

---

### Key Responsibilities

- Conduct thorough inspections of lifting and rigging equipment on client sites, in accordance with LOLER and PUWER regulations.
  - Lead and coordinate a team of freelance inspectors to ensure high-quality and consistent service delivery.
  - Accurately capture inspection data and ensure timely entry into the company's online portal.
  - Produce detailed inspection reports and certificates for clients, maintaining a high standard of clarity and technical accuracy.
  - Liaise directly with clients to schedule inspections, provide updates, and deliver final documentation.
  - Maintain up-to-date knowledge of industry standards and safety regulations relevant to the entertainment sector.
-

## Key Skills and Experience

### Essential

- Proven experience inspecting lifting equipment within the **entertainment industry** (e.g., theatre, live events, film production).
- In-depth understanding of LOLER, PUWER, and applicable HSE regulations.
- Strong leadership and communication skills; ability to manage freelance teams effectively.
- Excellent attention to detail and report-writing capabilities.
- Competence in using inspection software and digital reporting tools.
- Willingness to travel extensively across the UK and work on client premises. There may be opportunity for some work abroad.
- Valid UK driving licence.

---

### Personal Attributes

- Proactive, self-motivated individual capable of working on their own initiative.
- Strong decision-making and problem-solving abilities.
- Highly organised, with excellent attention to detail and accuracy.
- Confident, forward-thinking, and adaptable in a fast-paced environment.
- Exceptional communication and interpersonal skills.

---

### What We Offer

- Competitive salary, commensurate with experience.
- Collaborative and supportive working environment.
- Potential for future career development and advancement.

This job description is neither exclusive nor exhaustive, as there may be other duties and requirements associated with the post, and will be subject to review. The duties listed may be amended, as may the character of the position or the level of responsibility.
