(Supervisory Role)**

Industry Live Event Production – Rigging Services

Location Stevenage, UK

Reports to Warehouse Manager

Hours Full-time: 40 hours per week

Salary £35,000 to £45,000 per annum

Job Description

Applications with CV and covering letter to careers@riggingteam.com

Role Overview

We are seeking an experienced **Lifting Equipment Inspector** to take on a supervisory position within our Inspection Team, based at our Stevenage facility. The successful candidate will be responsible for overseeing the inspection, testing, and maintenance of our extensive rental stock of lifting and rigging equipment, as well as associated items such as material handling, access equipment and personal fall protection equipment (PFPE).

The role involves ensuring that all inspections are completed accurately and efficiently, with full traceability and compliance with relevant standards and company procedures.

Key Responsibilities

- Conduct thorough inspection, testing, and maintenance of all company-owned lifting and rigging equipment, ladders, and PFPE.
- Ensure all inspection data is accurately recorded in the company's inspection and asset management software portal.
- Produce inspection reports, test certificates, and other documentation as required.
- Supervise and support inspection staff, ensuring consistent working practices and high standards of workmanship.
- Identify defective or damaged equipment and manage repair or quarantine processes as necessary.
- Assist in maintaining compliance with LOLER, PUWER, and other relevant UK legislation and industry standards.
- Contribute to the continuous improvement of inspection procedures and documentation systems.
- Liaise with Warehouse Manager and other departments to coordinate equipment availability and maintenance schedules.
- Support external inspections and audits as required.

Key Skills and Experience

Essential

- Relevant **LEEA qualification** (or equivalent recognised certification).
- Proven experience in lifting equipment inspection and maintenance, ideally within a hire, industrial, or event rigging environment.
- Strong understanding of LOLER, PUWER, and related regulations.
- Proficiency in digital inspection and asset management systems.
- Excellent attention to detail and a methodical approach to record-keeping.

Desirable

- Supervisory or team leader experience.
- Familiarity with event rigging and entertainment industry standards.
- Good IT literacy, including use of databases, Microsoft Office, and reporting tools.

Personal Attributes

- Excellent attention to detail.
- Strong organisational and communication skills.
- Commitment to safety, quality, and continuous improvement.
- Able to work independently and as part of a small, skilled team.
- Proactive and solutions-focused attitude.

What We Offer

- Competitive salary (dependent on experience and qualifications).
- Company pension scheme.
- Ongoing training and professional development opportunities.
- Free on-site parking at our Stevenage facility.

This job description is neither exclusive nor exhaustive, as there may be other duties and requirements associated with the post, and will be subject to review. The duties listed may be amended, as may the character of the position or the level of responsibility.
